“I am an Alumni of the 2007 SHTM batch and already striving to become one of the youngest General Manager at IHG. A lot of it has to do with Vedatya and the various faculty members who guided me in the most crucial years. The curriculum of Vedatya which is research based is clearly the USP for me. I find the curriculum very helpful that encourages logical thinking & creates a strategic bent of mind which is quintessential for a student aspiring to be a leader in the professional world. Add to it, practical experience in the 1st year, Internship in the 2nd year, management modules and the thoughtful industry interface in the last 2 years, and you have a winner.”
